

KEL 580-1-2 T PW

Features:

Energy efficiency class A

Class A stands for extremely low power consumption.

Useable capacity: 504 litres

Fridge section: 334 litres

Freezer section: 170 litres

Separate electronic temperature controls and display

Electronic controls precisely regulate the selected temperature in the fridge and freezer sections. A digital temperature display facilitates setting the temperatures.

Electronic refreshment centre

For the supply of ice cubes, crushed ice and iced water.

Adjustable glass shelves

For easily surveillable and optimum storage on all levels.

Interior illumination

For optimum lighting and a clear overview.

100% CFC and HFC-free

Neither the propellant for the foam insulation nor the refrigerant contain harmful CFC's or HFC's. This minimises any environmental impact, thereby making a valuable contribution towards conservation of the environment.

SilverLine design

The SilverLine design is an eye-catcher thanks to its unique style. The interior consists of first-class materials: white freezer drawers with fine silver lines, transparent vegetable compartments, egg racks, butter and cheese compartments as well as holders for bottles and preserved foods combined with elegant chrome railings are features of the new SilverLine.

Antibacterial coating

An antibacterial coating in the interior effectively prevents bacteria, microbes, fungi and mould from growing and spreading.

No-frost system

The food storage centre no longer needs to be switched off for defrosting. The no-frost system eliminates the formation of ice on food and the freezer interior, keeping your freezer working efficiently.

Water filter with replacement indicator

For fresh, filtered water all the time.

7m water supply hose

Energy consumption per 100 l useable capacity:

0.28 kW/h per 24 h

Energy consumption per year: 522 kW/h

Freezing capacity: 10 kg/24 h

Storage time in the event of a power failure: 5 hours

Appliance dimensions: W x H x D approx. 903 x 1,790 x 719.5 mm

KEL 580-1-2 T PW (Platinum white design)

(high-gloss white front and white-painted sides)
